Overview

ICE is offered to seniors in each of the Dubois County schools. The purpose of ICE is to aid in developing employability and soft skills in the workplace, along with creating professional relationships in the student's chosen career field.

Requirements

Students interested in ICE must:

- Be a high school senior.
- Have a 90% attendance rate. (missed fewer than 9 days during first semester of junior year)
- Not have a history of behavior concerns that would make an employer question your character and or ability to be a productive employee. (This includes cases of excessive insubordination, fighting, written referrals by school personnel, etc.)
- Have a reliable means of transportation.
- Have a strong work ethic, strong communication skills, and a desire to learn.
- Be on track for graduation in all academic classes.

Details

- Students in ICE are in charge of securing employment for ICE. The WBL coordinator will aid in helping a student secure a job, however it is ultimately up to the student to have a job at the start of the school year. The ICE coordinator must agree that the job is appropriate for ICE employment.
- In most cases ICE is 3 periods of the school day and students must work an average of 15 hours per week.
- ICE is a year long course
- Once the school year starts students are typically not permitted to change ICE jobs.
- Students whose jobs are terminated for any reason within their control will likely be removed from the ICE class and receive an F for the ICE credits.
- Students in ICE are required to complete assignments throughout the year and submit online.
